Work Experience

Freelance Graphic Designer (Current)

Create and maintain the elements requested by clients to distinguish their brand in their respective fields of business to include: logos, video visual elements, websites, and brand identity.

MCA Librarian's Assistant (08/2018 - 08/2019)

Assist the head librarian of the college with tasks required to maintain operational status of the library such as taking inventory of books, greeting patrons, checking in and out books, shelf organization (alignment and proper sequencing of books), and file organization and shredding.

Lance Corporal, USMC (03/2016 - 06/2018)

The most senior position of a Junior Marine is tasked with leading and aiding members of lower ranking in the ways of the Marine Corps, as well as providing aid to more senior members starting with the next highest rank, Corporal. The Lance Corporal is both a working hand, and a leader in training. They work closely alongside their NCO's learning different leadership skills in preparation for promotion to Corporal.

1345, Engineer Equipment Operator, USMC (03/2016 - 06/2018)

Possess and utilize knowledge and skill of various engineer equipment to include forklift, backhoe, dozer, and bucket while being able to utilize each across five unique vehicles to provide assistance to ground forces on the home front and overseas. Aid in the construction of different fortifications such as friendly encampments, relief stations, bridges, etc.

Volunteer Experience

Level 3 Shelby County Schools Volunteer (Current)

A level 3 SCS volunteer has clearance to work alongside teachers and students and aid in the learning process as well as assist with school functions and programs. Level 3 volunteers have undergone a background check and fingerprinting process to provide proof of trustworthiness around children.
